SUBORDINATED SECURITY AGREEMENT

Between

RAILBOX COMPANY

and

MELLON INTERNATIONAL LEASING COMPANY

---

Dated as of November 1, 1981

---

SUBORDINATED SECURITY AGREEMENT dated as of November 1, 1981, between RAILBOX COMPANY, a Delaware corporation (the "Lessee") and MELLON INTERNATIONAL LEASING COMPANY, a Pennsylvania corporation (the "Lessor").

The Lessee and the Lessor have entered into an Agreement dated as of the date hereof (the "Agreement") by the terms of which the Lessor is leasing, for Tax Purposes (as defined in the Agreement) only, certain property described therein (the "Property") to the Lessee.

The Lessee has agreed to execute and deliver a Subordinated Security Agreement for the benefit of the Lessor to secure performance of the Lessee's obligations under the Agreement.

NOW, THEREFORE, in consideration of the agreements hereinafter contained, the parties hereto hereby agree as follows:

SECTION 1. Definition of Terms.

(a) "Casualty Occurrence" shall mean, with respect to any unit of Collateral, that such unit shall have been assigned or transferred as provided in Section 9.1 of the Agreement or become worn out, lost, stolen, destroyed or, in the reasonable opinion of the Lessee, irreparably damaged from any cause whatsoever, or shall have been acquired by condemnation or otherwise by the United States Government or any other Governmental entity.

(b) "Collateral" shall mean the items of Property described in Appendix A to this Subordinated Security Agreement and any item of property substituted therefor in accordance with Section 8 hereof.

(c) "Engineer's Certificate" shall mean a certificate signed by the President or a Vice-President of the Lessee or by any other officer or employee of the Lessee qualified to estimate the fair market value of units of railroad equipment.

(d) "Obligations" shall include all obligations, due or to become due, of the Lessee to the Lessor pursuant to the Agreement, other than the Lessee's obligations to make Primary Rental Payments, Casualty Payments (to the extent that a right of set off is provided in Section 1.2 of the Agreement) and Primary Option Payments.

(e) "Payment in Full" shall mean payment in full and satisfaction of all obligations of the Lessee under the Prior Interest and payment in full of the principal of and interest on the trust certificates issued with respect to the Prior Interest.

(f) "Prior Interest" shall mean the rights and interests of the Trustee and all obligations, due or to become due, of the Lessee under the Equipment Trust Agreement dated as of October 22, 1980, between Continental Illinois National Bank and Trust Company of Chicago, as trustee, and the Lessee (the "Trust Agreement") establishing the "Railbox Company Equipment Trust, Series 7", to which the Collateral is subject.

(g) "Proceeds" shall mean whatever is received by the Lessee, after Payment in Full, when Collateral is sold, exchanged, leased, collected or otherwise disposed of.

(h) "Trustee" shall mean the trustee under the Prior Interest.

(i) Unless otherwise specifically set forth herein, capitalized terms shall have the meanings set forth in the Agreement.

SECTION 2. Security Interest. As security for the performance of the Lessee's Obligations, the Lessee hereby grants to the Lessor a security interest in the Collateral and the Proceeds; provided, however, that the Lessor hereby agrees that such security interest shall in all respects be subject and subordinate to the Prior Interest as set forth in Section 5 hereof.

SECTION 3. Liens; Possession and Use. The Lessee covenants with the Lessor that the Lessee will protect and defend the security interest of the Lessor granted hereby from and against all other liens, claims, encumbrances, set-offs, defenses, counterclaims and other charges against or in respect of the Collateral and the Proceeds, other than those arising from the Prior Interest, and other than liens for taxes, assessments or governmental charges or levies, in each case not due or delinquent or undetermined or inchoate materialmen's, mechanics', workmen's, repairmen's or other like liens arising in the ordinary course of business and, in each case, not delinquent. The Lessee shall not sell, further suffer liens on or otherwise dispose of the Collateral or the Proceeds or any interest therein, except as permitted by Section 8 hereof.

SECTION 4. Use of the Collateral and Proceeds. Until an Event of Default shall have occurred, the Lessee may use and deal with the Collateral and the Proceeds in any lawful manner in the ordinary course of its business; provided, however, that no such use or dealing shall be inconsistent with the terms or provisions of the Agreement.

SECTION 5. Subordination. The Lessor hereby agrees that the security interest granted to it under Section 2 hereof shall in all respects be subject and subordinate to the Prior Interest. In furtherance of the foregoing, the Lessor and the Lessee agree (for the benefit of the Trustee under the Prior Interest) that unless and until Payment in Full the Trustee shall be entitled to sell, transfer or otherwise dispose of or deal with the Collateral and the Proceeds as provided in the Prior Interest without regard to the security interest of the Lessor herein, or any rights to which the Lessor would otherwise be entitled pursuant to such security interest. The Lessor further agrees that it shall not, and shall not attempt to, exercise any right with respect to the Collateral or the Proceeds, whether pursuant to this Subordinated Security Agreement or otherwise, until Payment in Full. The Trustee shall not have any duty to the Lessor in respect of, and the subordination provisions contained herein shall not be affected by (i) any revision, waiver, amendment or modification of the Prior Interest or the indebtedness issued in respect thereto, (ii) any exercise or nonexercise of any right, remedy, power or privilege under or in respect of the Prior Interest or (iii) any bankruptcy, insolvency, reorganization, arrangement, readjustment, composition, liquidation or similar proceeding of, or effected by, the Lessee. The Lessee shall deliver a copy of this Subordinated Security Agreement to the Trustee and in doing so shall request the Trustee after Payment in Full to deliver to the Lessor any Collateral or Proceeds then held by the Trustee.

SECTION 6. Conflicting Interest. The Lessee covenants with the Lessor that, except with respect to the Prior Interest, the Lessee will protect and defend the security interest of the Lessor granted hereby from and against all other liens, claims, encumbrances and other charges against or in respect of the Collateral or Proceeds in the manner and as provided in the Prior Interest.

SECTION 7. Remedies on Default. The Lessor shall have no rights to the Collateral or Proceeds (i) unless the Collateral is sold pursuant to the terms of the Prior Interest or (ii) until the obligations of the Lessee under the Prior Interest are satisfied and title to the Collateral vests in the Lessee. Subject to the foregoing and Section 5 hereof, if, upon the occurrence of an Event of Default or thereafter, the Collateral or any part thereof should be sold at public sale, the proceeds therefrom shall be applicable first to satisfy the obligations of the Lessee to the Trustee under the Prior Interest; second, to the extent any surplus of any such sale shall exist, to satisfy the Obligations of the Lessee to the Lessor; and third, to the extent any surplus of any such sale shall exist after the above-mentioned Obligations shall have been satisfied, to pay such surplus to the Lessee.

SECTION 8. Substitution of Collateral; Casualty Occurrences. (a) Prior to Payment in Full, the Lessee shall be permitted to substitute and replace the Collateral hereunder subject to the same terms and conditions contained in Section 5.06 of the Trust Agreement.

(b) After Payment in Full, upon the written request of the Lessee, the Lessor shall, at any time and from time to time, execute and deliver a release or releases assigning and transferring to the Lessee all of the right, title and interest of the Lessor in and to any Collateral; provided, however, that no unit of the Collateral shall be so released unless another unit of railroad equipment having a substantially equal fair market value at such time shall be simultaneously subjected to the terms of this Subordinated Security Agreement by means of a supplement hereto. At the time of the delivery of any request for a release pursuant to the preceding sentence, the Lessee shall deliver to the Lessor an Engineer's Certificate stating that each unit proposed to be subjected to the terms of this Subordinated Security Agreement has a fair market value substantially equal to or greater than that of each unit for which release is requested.

SECTION 9. Reports and Information. (a) Prior to Payment in Full, the Lessee shall deliver to the Lessor copies of each report required to be furnished pursuant to Section 5.08 of the Trust Agreement.

(b) On or before April 1 in each year, commencing with the calendar year following Payment in Full, the Lessee shall furnish to the Lessor an accurate statement setting forth as at the preceding December 31 the description and numbers for each unit of Collateral then subject to this Subordinated Security Agreement, and the description and numbers of each unit of Collateral that shall have suffered a Casualty Occurrence during the preceding calendar year and such other information regarding the condition of the Collateral as the Lessor may reasonably request. The Lessor and its agents and employees shall have the right, once each calendar year, to inspect the Lessee's records and information system regarding the location of each item of Collateral, and shall have the right to inspect the Lessee's premises where any item of Collateral is located for the purpose of inspecting such item, at all reasonable times during normal business hours upon prior written notice to the Lessee and subject to the Lessee's secrecy, security and safety regulations generally applicable to third parties regarding the Collateral involved; provided, however, that the Lessee shall not be obligated to interrupt the use of any unit in normal operations nor shall the Lessee be liable for any injury to, or the death of, any agent or employee of the Lessor incurred while exercising any such right to inspect the Collateral under the preceding provision of this sentence.

SECTION 10. Release of Collateral. Upon the earlier of (i) payment in full by the Lessee to the Lessor of the Casualty Value of any item of Property or (ii) the end of the Lease Term with respect to any item of Property, such item of Property shall be released from the security interest created by this Subordinated Security Agreement. Upon such release, the Lessor agrees to take such further actions, including the execution and delivery of amendments to Appendix A hereto, and to cause such amendments to be filed with the Interstate Commerce Commission pursuant to 49 U.S.C. § 11303, as may be reasonably requested by the Lessee for the purpose of effectuating such release.

SECTION 11. General Agreements.

(a) The Lessee will cause this Subordinated Security Agreement to be filed with the Interstate Commerce Commission pursuant to 49 U.S.C. § 11303.

(b) This Subordinated Security Agreement shall be governed by, and construed in accordance with, the laws of the State of Illinois.

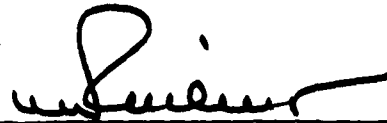

(c) This Subordinated Security Agreement may be executed in several counterparts, such counterparts together constituting but one and the same instrument and it shall not be necessary that any counterpart be signed by both parties hereto so long as each party hereto shall have executed one counterpart hereof, in which case this Subordinated Security Agreement shall become effective upon delivery by both parties of a signed counterpart hereof to counsel for the Lessee.

IN WITNESS WHEREOF, the parties hereto have caused this Subordinated Security Agreement to be duly executed by their duly authorized officers or other persons as of the date first above written.

SUBORDINATED SECURITY AGREEMENT dated as of November 1, 1981, between RAILBOX COMPANY, a Delaware corporation (the "Lessee") and MELLON INTERNATIONAL LEASING COMPANY, a Pennsylvania corporation (the "Lessor").

The Lessee and the Lessor have entered into an Agreement dated as of the date hereof (the "Agreement") by the terms of which the Lessor is leasing, for Tax Purposes (as defined in the Agreement) only, certain property described therein (the "Property") to the Lessee.

The Lessee has agreed to execute and deliver a Subordinated Security Agreement for the benefit of the Lessor to secure performance of the Lessee's obligations under the Agreement.

NOW, THEREFORE, in consideration of the agreements hereinafter contained, the parties hereto hereby agree as follows:

SECTION 1. Definition of Terms.

(a) "Casualty Occurrence" shall mean, with respect to any unit of Collateral, that such unit shall have been assigned or transferred as provided in Section 9.1 of the Agreement or become worn out, lost, stolen, destroyed or, in the reasonable opinion of the Lessee, irreparably damaged from any cause whatsoever, or shall have been acquired by condemnation or otherwise by the United States Government or any other Governmental entity.

(c) "Engineer's Certificate" shall mean a certificate signed by the President or a Vice-President of the Lessee or by any other officer or employee of the Lessee qualified to estimate the fair market value of units of railroad equipment.

(f) "Prior Interest" shall mean the rights and interests of the Trustee and all obligations, due or to become due, of the Lessee under the Equipment Trust Agreement dated as of October 22, 1980, between Continental Illinois National Bank and Trust Company of Chicago, as trustee, and the Lessee (the "Trust Agreement") establishing the "Railbox Company Equipment Trust, Series 7", to which the Collateral is subject.

(g) "Proceeds" shall mean whatever is received by the Lessee, after Payment in Full, when Collateral is sold, exchanged, leased, collected or otherwise disposed of.

(h) "Trustee" shall mean the trustee under the Prior Interest.

(i) Unless otherwise specifically set forth herein, capitalized terms shall have the meanings set forth in the Agreement.

SECTION 2. Security Interest. As security for the performance of the Lessee's Obligations, the Lessee hereby grants to the Lessor a security interest in the Collateral and the Proceeds; provided, however, that the Lessor hereby agrees that such security interest shall in all respects be subject and subordinate to the Prior Interest as set forth in Section 5 hereof.

SECTION 3. Liens; Possession and Use. The Lessee covenants with the Lessor that the Lessee will protect and defend the security interest of the Lessor granted hereby from and against all other liens, claims, encumbrances, set-offs, defenses, counterclaims and other charges against or in respect of the Collateral and the Proceeds, other than those arising from the Prior Interest, and other than liens for taxes, assessments or governmental charges or levies, in each case not due or delinquent or undetermined or inchoate materialmen's, mechanics', workmen's, repairmen's or other like liens arising in the ordinary course of business and, in each case, not delinquent. The Lessee shall not sell, further suffer liens on or otherwise dispose of the Collateral or the Proceeds or any interest therein, except as permitted by Section 8 hereof.

SECTION 4. Use of the Collateral and Proceeds. IN WITNESS WHEREOF, the parties hereto have caused this Subordinated Security Agreement to be duly executed by their duly authorized officers or other persons as of the date first above written.
